2018
Agenda

- Children under 18 years old will not be allowed in any of the general session meetings. All qualifiers and guests must be at least 18 years of age, and be responsible for their own child-care arrangements.
- It is required that all attendees bring a photocopy of their passport and the migratory document (immigration form) that is provided at the airport at the time of entering into the country. You will not be allowed to check into the hotel without these two documents.
- All presentations will be given in Spanish, except for the presentation by Founder & CEO Bill Farley, which will be given in English. We will not have translation services.
