## ZRIINEW™ FACIAL SERUM

### A TRUE SUPER SERUM

ZriiNew's Facial Serum is a highly concentrated, twice-daily, powerhouse age defier. It is the only product in the world to feature an exclusive Liquid Light™ blend of ingredients that increases radiance and luminosity by altering the way that light reflects off of the skin's surface. Liquid Light™ helps smooth, soften, plump, brighten, firm and even out skin tone to create a gorgeous texture and noticeably radiant, youthful looking skin. In addition to Liquid Light™, ZriiNew Facial Serum also boasts an exclusive MicroMelt™ blend that protects and reinforces the skin's delicate moisture barrier, and harnesses the power of special, micro-sized ingredients that penetrate the skin's surface to beautify and nourish deeply.\*
