

ZRII DISCLAIMERS

Friendly Reminder:

Zrii and its partners do their very best to provide you and your family with the most-recent, up-to-date and accurate information concerning Zrii products and our approach to wellness. Please keep in mind that the Zrii website is for informational purposes only and the information contained herein should NOT be construed as legal, financial, tax, or medical advice.

† These statements have not been evaluated by the FDA. Our products are not intended to diagnose, treat, cure, or prevent any disease. If you have concerns about taking these products consult your doctor or healthcare professional.

† Caution: Ask a healthcare professional before use if you have or have had serious medical conditions or are taking any medication(s). If you experience problems or develop irregular symptoms while taking Zrii products contact your healthcare professional. These products are intended for use by adults 18 years of age or older. Pregnant or breastfeeding women, or parents who would like to give Zrii products to their children, should talk to their doctor before using Zrii products.”
